Tutoring Experience

Throughout my 19 years in education, I have worked with a diverse range of students from multiple backgrounds, helping them excel in IB Geography and related curriculums. My experience spans teaching Geography at various international schools and assisting students in understanding complex geographic principles in preparation for their IB, A-Level, and IGCSE exams.

I focus on ensuring students build a strong foundation in environmental studies and geography, guiding them through advanced topics and encouraging a deeper understanding of global issues. Many of my students have gone on to pursue Geography and Environmental Studies at prestigious universities, reflecting the impact of my tutoring on their academic journeys.
