🎓 Experienced Tutor | University of Helsinki | MSc in Computer Science

With an MSc in Computer Science from the University of Helsinki and a BSc in Software Engineering from Aalto University, I bring 13 years of experience teaching IB (HL and SL), AP, and A-Level Computer Science, guiding students globally to excel in Python, Java, and C++.

Teaches: IB Computer Science A-Level Computer Science AP Computer Science

Curriculum: IB A-Level AP

### Qualifications

**University of Helsinki:** MSc in Computer Science (2010-2012)

**Aalto University:** BSc in Software Engineering (2006-2010)

### Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

### Tutoring Experience

For over a decade, I have guided students in mastering complex programming languages and computational theory across various curriculums, including IB and AP Computer Science. My focus has been on helping students build solid coding skills and achieve high marks in exams through structured lessons.

I have also worked with university-bound students, preparing them for challenging concepts in algorithms, data structures, and systems programming. My experience has enabled me to support students from the US, UK, Finland, and beyond, helping them to develop a comprehensive understanding of computer science.
