Tutoring Experience

With five years of dedicated tutoring experience, I have guided students through IB Business Management, focusing on helping them master complex business concepts and excel in both exams and coursework. My students have consistently achieved 6s and 7s on their assessments, thanks to my expertise in breaking down difficult concepts and providing clear, structured guidance.

In addition to IB, I have experience tutoring A-Level and IGCSE Business, supporting students in a range of topics from fundamental economics to international business strategies. My approach has helped numerous students secure spots at top universities, demonstrating the effectiveness of my tailored support and in-depth knowledge.
